Note: These are the averages of indicative bid prices provided by bank-loan traders and expressed as a percentage of the par, or face, value. Coupon, or interest rate, is in 1/100s of a percentage point over Libor, the benchmark London Interbank Offered Rate. All ratings are for specific loans and not for the company itself except as noted with an (a). These prices do not represent actual trades nor are they offers to trade; rather they are estimated values provided by dealers.
